January 5, 2021

Dear MCSSSD family,

Welcome back! I hope the winter break was restful for you. As we prepare to reopen on Tuesday, January 19, 2021, we will be cautiously monitoring the COVID-19 virus in our area and make you aware of the vaccination information that has become available.

The NJ Department of Health has created a Vaccine Registration Program for people to register to get the COVID vaccines. They will notify you when the group you qualify for is able to get the shots via email. They also will send notifications via text message. Currently they are still working on group 1A. Educators and essential staff for schools are in group 1B. You may use the links to below to find vaccination locations and to pre-register for an appointment.

Current Locations for vaccines can be found here:

<https://covid19.nj.gov/pages/healthcare-worker-covid-19-vaccine-locations>

Pre-Registration is available here:

We look forward to a healthy and safe return in 2021!

Sincerely,

A handwritten signature in blue ink that reads "Kimberly J. Schneider".
