Tina Jablonski, Vice President of MCSSETA commented on the procedure of the committee. No educators or building principals are a part, since working with the superintendent daily.

Camille Rainiero responded; this is for the interim position note the permanent one. Noted previous stakeholders would be included in search for a permanent Superintendent.

Elizabeth Breden-SEPAG chairperson and parent asked about parent representation for search. Appreciate hard work of the Boards. Can give background on the experience with special education and vo-tech schools.

Camille Rainiero - currently a principal at Sypek and has worked with special needs. Been with MCTS for 2 years. Very involved with parents, teachers and students, very collaborative. Think you will enjoy working with him. Again, for the permanent position we will work with NJSBA to hire.

Brian Bittings, Interim Assistant Superintendent of MCSSSD asked when will that start?

Deborah Donnelly - currently we are contracting with NJSBA. As soon as the contact can be Board approved by MCSSSD & MCTS the process will move forward.

Brian Bittings Thanked the Board for the information.
